**SERVICE LETTER**

**Subcontractor's name:** Eranda Pradeep Pathirannehalage

This letter expresses appreciation for the excellent service that Eranda has provided to our company. We are highly pleased with the hard work he has provided.

Eranda Pradeep was a subcontractor for Fine Bit Solutions from 2016 to 2021.

In this period, Eranda was dedicated to his work and provided outstanding service to our clients. His responsibility and trustworthiness are exceptional. Eranda was capable of looking after very important clients with lots of responsibilities, such as being on the site early in the morning for the site supervisors to run their audits and the early working tasks. On top of that, punctuality, ownership of the work tasks, and getting the work done with high quality are some of his optimistic qualities.

We are sure that his passion and dedication will help them excel in whatever he chooses to do next in his life. Eranda has shown a high level of commitment throughout his time with our company.

We wish Eranda all the best for his future.
